JCI Tier 1 Status – Gas Suppression & Water Mist

Dear Nigel and To Whom It May Concern,

Fire Technical Services are a JCI approved 'Tier 1' Distributor and are therefore fully authorised to access and install all Hygood® brand, gaseous suppression products e.g. Sapphire Plus®. Fire Technical Services are also an approved Aqua Mist® distributor.

I trust this provides full clarification.

Yours Sincerely,

Mike Garner

Head of Sales – Engineered Systems & Water Mist (UK & Nordics)
Fire Suppression Products
